The look of the styling is very different from later DB models, particularly the 1958-1963 Aston Martin DB4 and those that came after. This is partly because the DB2 was designed in '40s, but ...

1950 Aston Martin DB2 Vantage | Top Speed

The historic Aston Martin offered here, chassis number 'LML50/12', is one of the very rare 'First Sanction' DB2s, these cars being distinguishable by their characteristic three-piece radiator grille, side extractor grilles, all-round plated bumper strips, twin fuel fillers and flush-fitting front and rear screens with plated surrounds.

Bonhams : 1950 Aston Martin DB2 3.0-Litre 'First Sanction' ...

Initially the higher compression ratio made the engine unsuitable for the British market, as the postwar austerity measures of the early 1950s restricted UK vehicles to 72 octane " Pool petrol ". The first DB2 Vantage, LML 50/21, was delivered to, and raced by, Briggs Cunningham in the United States.
