Only truly self-differentiated leaders will be able to lead in these emotionally regressive cultures, and even then, some have a failure of nerve and pull back. Friedman was a student of history. He saw many parallels in our current leadership culture to those faced in the Dark Ages.

A Failure of Nerve - Healthy Growing Leaders

The title of the book, Failure of Nerve, is taken from a chapter title in Gilbert Murray's Five Stages of Greek Religion, which makes the point that after Socrates, Greek culture was on the verge of a renaissance, but rather than accepting the death of the superstitions that Socrates put to bed, Grecians found many related superstitions to steer them away from the emphases on reasonableness and honesty that were the hallmark of Socrates' leadership.

» Book Notes - A Failure of Nerve: Leadership in the Age ...

The real problem of leadership is a failure of nerve. Leaders fail not because they lack information, skill, or technique, but because they lack the nerve and presence to stand firm in the midst of other people's emotional anxiety and reactivity. KEY CONCEPT: EMOTIONAL PROCESS
