Bound To Love was
definitely a OMG what
just happened kind of
book. It is raw. It is
dark. It is definitely not
for the faint of heart.

There are scenes that

you will question and question and maybe even question again. Like I said this book is raw and filled with so much emotion. Im seriously questioning my sanity for how much I enjoyed the book.

My Kindle Fire comes with me on road trips, to the bathroom, to lunch, and on rare excursions to the gym. It has a special place in my bed, tucked under my pillow every night. I'm mesmerized by the 7.5-by-4.7 inch screen, and let me tell you: the world of 99 cent smutty e-books is a dark, dangerous, and addicting place.
