It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations.

### Denon S 81 S 81dab

Also included with the latest Denon mini system you'll find a pair of specially tuned speakers. Although similarly compact, thanks to special tuning, the sound quality is anything but - expect a tinny sound quality and you'll be amazed by the S81's depth and scale of sound.

### **10 Best Denon S 81 Reviewed and Rated in 2020**

Denon has slashed a handy £200 off its stereo S-81 DAB system, bringing it down from £600 to a more competitive £400. We first tested the unit back in October 2006, at its then price of £600, and although it has an appealing design, we reckoned you could buy a better sound for less. However, there's no denying the Smart Series S-81 is feature-packed.

### **NEWS: Denon cuts the cost of its S-81DAB Smart Series ...**

If you've ogled Denon's mini S-81DAB but been put off by the near £600 price tag then you can quit your whining, because the Japanese hi-fi maker's gone and lopped a neat £100 off that figure to make it a penny shy of £500. There's been no cut in the feature list, though.
