Mothers Daughters And Body Image

McBride has designed body image presentations for young girls and their mothers that she presents regularly in schools and community settings. She regularly speaks on radio, podcasts, and at workshops on a variety of mental health topics including sexuality, body image, well-being, living authentically, and healing trauma.

Mothers, Daughters, and Body Image: Learning to Love ...

McBride interviewed women with healthy body image and their mothers. It was forgiving and beautiful to see that mothers with negative body image could still raise confident, healthy daughters if they were intentional about it. She uses the me

The research shows that most mothers have struggled with their own body image and think it is likely their daughters will struggle at some point as well. In spite of this, most moms feel their daughters currently have a healthy body image. Moms are aware that they have some impact on how their daughters will feel about their own bodies.

Mothers, Daughters & Body Image

As Nancy observed, while many mothers may blame or shame themselves for their daughters' body image struggles doing so — even if they did play a part in encouraging those behaviors — it distracts...

How Mothers Shape Their Daughters' Body Image

Research suggests that mothers may play a role in girls' body image development. The "interactive" hypothesis specifies that qualities of the mother-daughter relationship, as opposed to maternal modeling alone, predict daughter's body image.
