5 Things to Consider When Training Youth Athletes 1. Early Sports Specialization Sucks. There, I said it. I, and many other prominent and/or experienced coaches, am pretty adamant on this point. Nothing derails a young athlete's development more - both physiologically and athletically - than playing one sport year round.

4 Things to Consider When Training Youth Athletes - Tony ...

Friday's straight-set victory over Martinez sets up a round-of-16 match against Rafael Nadal, a 12-time winner of the French Open at Roland Garros. "I named my cat Rafa after him," Sebi said ...

Close-Knit Kordas are the World's Greatest Family of Athletes

Of those young athletes, 27 percent participate in only one sport. AAP officials said some children begin their focus on one sport as early as 7 years of age, playing year-round on multiple teams ...

Why Your Kids Should Play More Than One Sport

Strength and conditioning professionals who incorporate a properly designed and supervised training program can help their young athletes train, compete, and reduce the likelihood of injury. The incorporation of resistance training to help youth athletes improve athletic performance has steadily become more popular over the past decade.

Youth Performance and Fitness—Strength and Conditioning ...

Athlete Development. Long-term athlete development (LTAD) programs, which started in the 1990s in the United States, Canada, and other industrialized countries, have tried to counter the detrimental effects of early specialization and year-round sports by offering a positive framework to develop physical literacy and elite athletes. 16, 22 Physical literacy has been defined as the mastering of ...

Sports Specialization and Intensive Training in Young Athletes

We believe in the next generation of Olympic athletes. For many talented young athletes, the financial barriers to access sport at the high performance level are immense. A competitive athlete with potential to move up in the sport system will face a range of costs in order to make the leap, including training and equipment fees, higher level coaching and international competition travel expenses.
