Read through your bread machine manual and recipe first, looking for helpful hints. Add ingredients in the order specified in the manual. Carefully measure ingredients—small variations can dramatically affect the outcome. Use ingredients that are at room temperature, except for refrigerated items such as milk, sour cream, and eggs.

GRACEBRETHREN.INFO Ebook and Manual Reference

The product we are going to be looking at today is the more recent BCF1690. At this state we aren't even sure when this model was released - scouring the user manual gives us no clues, and a Google search proves even less fruitful. Judging by our guess we would say it was released in the early 2000's.
