Shamanism Traditional And Contemporary Approaches

The ambivalent nature of the shaman and the spirit world in the tough Arctic environment is then contrasted with the more benign attitude to shamanism in the New Age movement. After presenting descriptions of their organizations and accounts by participants, the author critically analyses the role of neo-shamanic courses and concludes that it is doubtful to consider what is offered as shamanism.

Shamanism: Neoshamanism | Encyclopedia.com

The key difference between traditional approach and modern approach on conflict is that the traditional approach of conflict considers conflicts as avoidable, whereas the modern approach of conflict considers conflicts as inevitable. Conflict management is one of the key concerns in HR principles. It is the practice of being able to identify and resolve conflicts sensibly, fairly and efficiently.

Difference Between Traditional Approach and Modern ...

Neo-shamanism (for "new shamanism") is a phenomenon that has been mainly developing in recent societies of Europe and of North America since the second half of the 20th century. The practice ...
