Introduction: Teaching for Social Justice | Penn GSE ...

The ELATE Commission on Social Justice in Teacher Education Programs's work is grounded in the belief that it is impossible to make sense of the field of English language arts without using gender, race, and class (among others) as central categories of description and analysis. This belief connects with our vision of what Moje (2007) has called a "social justice pedagogy," a distinction from a socially-just pedagogy that seeks to ensure that all people to have opportunities to learn.

justice.education

Social justice is recognizing and acting upon the power that we have for making positive change. Teachers do this every day in many ways. And, in order to take that idea to the next level, teachers might include classroom practices that will make this dynamic explicit.
