Trespassing

Across America

Trespassing Across America is both a fascinating account of one man's remarkable journey along the Keystone XL pipeline and a meditation on climate change, the beauty of the natural world, and the extremes to which we can push ourselves - both physically and mentally. It started as a far-fetched idea - to hike the entire length of the proposed route

Trespassing

Across America

(Illegal) Hike Across the Heartland is a travel memoir about author Ken Ilgunas's walk along the proposed route of the Keystone XL Pipeline. Published in 2017, the book's arrival came concurrently with President Trump's renewed interest in the pipeline after the Obama administration rejected it.
